Are you  
interested in  
college  
education and  
recreation?

Would you like  
to join a team  
of veterans and  
student athletes  
for an  
experience of a  
lifetime?

**IF SO... Join us at  
the U of A!**

# U of A Veterans Education and Recreation Camp

The University of Arizona V.E.T.S. Center has specialized in providing Supportive Education for Returning Veterans (SERV) to help veterans to convert military training and experience

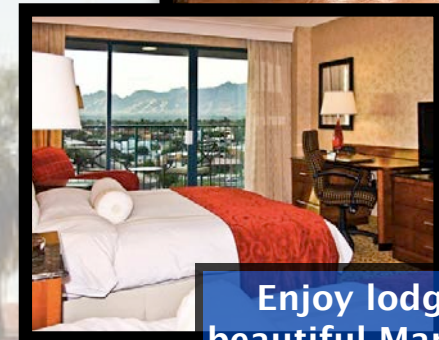

into lifelong success skills. In addition, the Arizona Adaptive Athletics is the most comprehensive collegiate wheelchair sports program in the nation, including basketball, tennis, rugby, track, road racing, hand cycling and scuba diving. Held on the the U of A campus, the camp

offers the experience of college learning and recreation on a veteran friendly campus.

## Eligibility

All veterans with spinal cord injuries and diseases (SCI/D) will be eligible to participate in the camps. Applicants will be selected by the date their application is received and their level of interest in both adaptive athletics and higher education. Preference will be given to those applicants who have newer injuries (0-3 years) and would be considered beginners to wheelchair sports.

Enjoy lodging at the beautiful Marriott located on University Blvd with restaurants, shops, and right next to the University of Arizona!
